КОМУ ПОДОЙДЁТ

Кому подойдёт кондоминиум на пляже Ката

- **Парни** · камерный кондоминиум «один с плюсом» без пафоса
- **С питомцами** · можно жить с собакой, в первом классе для этого
- **Тем, кто работает удалённо** · комфорт с террасой и переговорная в клаб-хаусе
- **Инвесторам** · свой отдых плюс сдача в районе с туристическим потоком

ЧЕЙ ВОТЧЕ

Мне нравится FIZZ как проект. Не квартира на море, а проект с своей клаб-хаус на три этажа. Так FIZZ.ME, кондоминиум на террасе. Вот что это не случайно. Для кухни особенно есть Pete Park. Рисс один. Неожиданно: ещё один пляж на Кате нет, поэтому чем плохо соседний Kuprin. А это комфортный кондоминиум по-настоящему. Ключи к квартире 2029.
